

HARIO COLD BREW IN A BOTTLE

Enjoy making coldbrew coffee in this stylish bottle - perfect for summer

You Will Need:

- 1x Hario Cold Brew Bottle
- Cold Water
- Coffee ground medium-coarse (#9 EK43)

Instructions:

1. Add ground coffee into filter basket
2. Place filter basket into glass bottle
3. Slowly pour cold water over the coffee grounds until you've filled the bottle enough to submerge the filter basket
4. Assemble rest of the bottle together and secure lid
5. Place in fridge for minimum 8 hours
6. Once desired brew time has been achieved, remove filter basket from bottle assembly
7. Serve either neat or with ice

Coffee-to-Water ratio:

- 1g coffee - 15mL water

PREPARATION: 2 MIN.

BREWING: 8-24 HR.

KEEPS FOR: 7-10 DAYS.
